Spring 2020

Make Masonic Village Your New Home

Discover the Possibilities

With a not-for-profit mission to provide superior care and services to residents and their loved ones, Masonic Village is growing to meet the needs of more seniors throughout their retirement years. Our strong commitment to Masonic values, coupled with a master plan to rebalance services based on market demand, has driven the community's continued success.

With 167 retirement living rental residences and 66 new cottage homes, as well as newly renovated assisted living areas and memory care suites, Masonic Village offers personalized services and unmatched quality. With comprehensive on-site access to short-term rehab, nursing, respite and hospice care, residents can enjoy peace of mind.

Regardless of where on campus residents reside, carefree living comes standard, along with flexible dining, housekeeping, maintenance, landscaping, scheduled transportation, security, snow and trash removal, use of campus amenities and a wide variety of recreational and social opportunities.

For more information on retirement living rental residences or new cottage homes, call 609-479-1028 or email info@njmasonic.org.

Grand Master's Message

Behold, How good and pleasant it is for Brethren to dwell together in UNITY.

My Brothers,

How swiftly the sands flow through the Hourglass. As our Annual Communication of Grand Lodge is quickly approaching, it seems like it was only yesterday that I humbly was nominated and elected to the position of Junior Grand Warden. I am very grateful to the Grand Line of officers that preceded me, who allowed myself and our Staff to embrace our visions and programs, thus allowing us to develop and see them through implementation and fruition.

I truly believe things don't just happen and I am very thankful and indebted to a great team and support staff that has been by my side throughout these past four years, especially my wife Nancy and all her support and dedication.

It was a year that we continue to face the same challenges we have in the past. Membership decline, upkeep, repair and maintenance of our Masonic Temples, financial stability, social media and family demands and the continuing attention to Recruiting, Retention and Restoration.

Through the combined efforts of the Elected Line, District Deputy Grand Masters, District Ritual Instructors and the newly created position of District Education Officers, we have tried to address all these challenges and have made sufficient changes and approaches to address these concerns. Some of this has been accomplished through an aggressive Community outreach program, newly updated and executed Mentoring, Retention and Restoration workshops throughout the state. Formation of a Masonic Emergency Response Team that will assist our communities in times of disaster. While also continuing and supporting our established CHIP events, Teen Suicide and Awareness presentations, new and infused Blood program, Path Forward, Not just a Man a Mason campaign, where we have our district representatives working hand-in-hand with their Scottish Rite counterparts. Developing a Veterans, Widow and Widower bereavement Programs. And a vastly growing Wreathes Across America involvement that had Masons decorating the graves of our Veterans in almost every district this year, to name some of these programs. While in house continuing our Breatly award and The Society of King Solomon. Hopefully by working in direct engagement and involvement in our communities and making our presence better known, we will bring more awareness and understanding of what we do and who we are as Masons.

Our Masonic Charity Foundation, along with Ashlar Creative Solutions, our management company, have turned the corner and are moving towards a bright horizon, thanks to the dedication and hard work and efforts of our MCF Trustees, employees and staff. The new cottages and apartments are close to full occupancy and our Skilled Nursing, Assisted Living, Respite Care, Hospice and our new Dementia wing, round out the full service of care that we offer at your

Masonic Village. While still providing Fraternal care and services as needed.

I am also very proud of our Grand Lodge Office and all the advancements and efficiency that we are experiencing. Our successful implementation of the Grandview Program is and will continue to streamline the connection between our Lodges and Grand Lodge communications. We have only scratched the surface in regard to the capabilities and other applications it can do for us. My sincere thanks goes out to all our dedicated Secretaries, Worshipful Masters and whoever assisted in bringing this system online. We will soon begin the digitalization process of all the Grand Lodge records and files, that will certainly enhance the day-to-day operations. The timely updating of Grandview after each meeting will eventually do away with the Monthly Reports now required, but the importance of filing Annual Reports and especially Lodges Fiduciary Reports, need the Lodges utmost attention and timely filings. Failure to submit the required reports prior to the Annual Communication will result in that Lodges inability to exercise their members right to vote. Please let's not let this happen and I look forward to 100% submission in a timely fashion.

On the bright side, ALL pass through assessments have been paid and as of this, the 10th month of this Masonic year, we are under budget and all bills have been paid. This has been accomplished through the hard work and attention to this year's budget and spending by the Elected Line, Grand Lodge Trustees and the Grand Lodge Office.

This was one of my personal goals and challenges and I am proud and satisfied of this major accomplishment. I hope this controlled spending and balanced budget is the start of a positive trend, for years to come.

This year, my message and theme, was Strength in Unity. My message was received and embraced by our Appendant Bodies, Lodges and Brethren throughout our Grand Jurisdiction. It is so much greater to work together towards our common goals and aspirations through the great work and Charity we do together then working against each other and accomplish little or nothing at all. I saw and felt this Unity and Brotherly love in all our travels and everywhere we visited this year. It's a great thing and let's keep it going.

In closing, it has been my great honor, privilege and pleasure to have served you and this Grand Jurisdiction as your Grand Master. My thanks again to all who have travelled this journey with me and everyone's support. I do believe we made a difference. I look forward to our future and seeing you in Atlantic City. Remember my Brothers, there is **"Strength in Unity."**

Sincerely and fraternally,

Gregory J. Scott
Grand Master

Grand Lodge

In Freemasonry we are living in interesting times as we begin to embrace new ideas and engage in groundbreaking programs to move our beloved craft into the 21st Century. Our brand is solid and the gifts that we offer to mankind have not measurably changed over the last 300 plus years. However, we have allowed ourselves to become complacent and have too often fallen back on our ritual to carry us forward. Our ritual is our base, the solid foundation upon which our fraternity is built, but it is not the end all of our craft. We need to do a better job in reaching out to our members and listening to their voices as we plan our future path.

I have sat in many lodges over my masonic career and have witnessed countless degree work and programs presented, some excellent and some not so. Many of you have heard me speak to this, that we need to make our meetings interesting/inspirational, convenient and enjoyable (ICE). Invite a speaker to your lodge, make it a special night for the brethren. Don't try to squeeze the program in-between lodge business, ballots, budget meetings and even an annual meeting (yup, it happened). Clear the calendar for that evening, have a nice dinner, do only your necessary business and then move on to your program. The idea is to get the brethren excited, motivated and thereby involved in the lodge. When you get your membership reactivated they will undoubtedly spread the word and pique the interest of other brethren and even non-members.

Our Scottish Rite brethren in Lexington, Massachusetts have embarked upon an ambitious and long overdue program of membership development. Under the mantra of ***“Not just a man, a Mason”*** they have developed many wonderful, professional tools to help all of the bodies of Freemasonry to grow and prosper, for when one branch grows the entire tree benefits. Their latest endeavor to bolster membership in the Blue Lodges is the ***“BeaFreemason.org” program*** that provides information to potential candidates and provide a form which will allow their information to be forwarded to their local jurisdiction. The program was launched on March 1st and as of March 3rd the Grand Lodge of New Jersey had received 29 leads and this is all at no cost to your Grand Lodge. This program is a joint venture between the Scottish Rite Northern Jurisdiction, Southern Jurisdiction and Shrine International.

The Master Mason Degree is a life altering moment in a man's life and I would like to see it celebrated by the lodges as such. Think of how exciting it would be for a newly raised Master Mason to be the guest of honor at a festive board after the degree. There are many ways to accomplish this which we will discuss with you District Deputy Grand Masters in the coming months.

God bless and remember ***“New Jersey Freemasons, we care for each other”***.

Fraternally,

New Jersey.

Senior Grand Warden's Message

Hello my Brothers.

I hope this magazine reaches you happy and healthy. As spring brings new growth and new life,

I hope you are encouraged to pursue growth in yourself. Renew your spirit and awareness and share it with your friends and family. Take heed of the lessons of the seasons and enjoy your blessings!

Do you really know the organization of Freemasonry? When you joined the Lodge, you received the treatment and the information that your Lodge offered. As a new Mason you only knew what you were presented. Your opinions of your Lodge and our fraternity were, and are, limited by your experiences. Has that been a quality Masonic experience? Have you received the full value of Freemasonry or have you been shortchanged? Do you read about, or hear stories about Masonic experiences that you have not witnessed? Wisdom, mysteries, a mystic-tie, mentoring – all of the things written and promised – are you experiencing them? You should be. These are our true legacy.

There are many social organizations available today. We have many kinds: college fraternities, social clubs and religious social groups. And we have Freemasonry! Freemasonry promises something quite different than these organizations. For hundreds of years we promised knowledge, truth, mysteries – to make good men better. Are we? Are we providing something special, something different than that of a generic social club? If your answer is yes – think about what it is. If your answer is no, think about why.

In a modern world that competes for a man's attention, why should a man join Freemasonry? What are we doing differently than any run-of-the mill social club? Every-one eats. Every-one drinks. Every-one has fellowship. These activities are generic, not special. You don't even have to belong to an organization to meet and engage in these

activities! Why pay dues and have initiatic experiences to join a group to eat and drink and hang-out? Sounds foolish doesn't it? It is. Freemasonry is not characterized by these vices. If Freemasonry does not offer more, we will be just another group that takes time away from a man's more productive activities of life and family.

Let's look to our founding document for direction, our Act of Incorporation of 1866 and our Declaration of Principles (in the Appendix of our Constitution and Laws). When Freemasonry was formed in New Jersey, our Founding Fathers wrote their intention of our purpose in Masonry: ***“It is a social organization only so far as it furnishes additional inducement that men may foregather in numbers, thereby providing more material for its primary work of education, of worship, and of charity.”*** Are we concentrating on our primary work or are we being distracted? Are we living up to our plainly stated original intent? These questions need to be addressed by our leaders and considered in our Lodges. Self-evaluation and correction are needed for any organization to survive.

Freemasonry is a wonderful organization that provides lessons of life and a retreat of friendship and virtue. That is what we are. We do make good men better when we stick to our principles and heritage. It is up to us to maintain the dignity and standards of conduct that have made Freemasonry great. I look forward to working with you to fulfill our promise and to share the benefits of a legitimate Masonic experience.

Junior Grand Warden's Message

My Brothers,

I want to take this opportunity to thank all of you for your support and confidence that you placed in me, to be your Junior Grand Warden of the Most Ancient and Honorable Society of Free and Accepted Masons for the State of New Jersey.

I am usually not at a loss for words, but I am filled with emotions that I cannot adequately describe. The sense of joy, humility, pride, and love is truly overwhelming. Make no mistake about it though, I certainly did not get here alone. It was through "YOUR" support, hard work, and dedication that caused "US" to arrive here at this very time and place.

Since the election and after winding down from the "whirlwind", I find myself reflecting upon the journey that "WE" have had and the journey that "WE" are going to have! I have spent this past year traveling exclusively in and around our Grand Jurisdiction visiting many lodges where I was able to meet many of you, on the level, and get your feelings and thoughts about our beloved fraternity. Well, I have listened to what you have said, and I promise that I will

continue to listen and always do the very best that I can, FOR YOU!

As we continue this journey together, we will make it our mission to abandon self-promotion, egos, and agenda's and get back to enjoying our fraternity the way it was intended. A fraternity of Brotherhood and Fellowship.

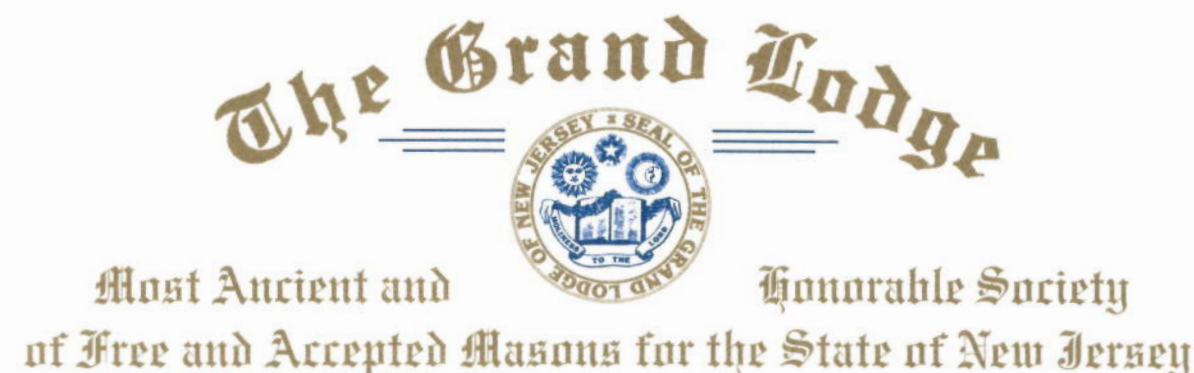

I am looking forward to a bright future and I am excited to work with each and every one of you to once again make our New Jersey Freemasonry Great Again!!!

Brethren, from the bottom of my heart, I again thank you for your trust and support. May the Grand Architect of the Universe bless you, our Fraternity, and our great country.

Sincerely and Fraternally,

Gary J. Olsen
Junior Grand Warden

Registration Procedure for Electronic Balloting Deadline Tuesday, April 7th

By R.W. Barry P. Kornspan, PDDGM
Chairman, Balloting and Registration Committee

Per C&L, Past Masters (PM) may cast their ballots for elected Grand Lodge offices (Title 3, Article IV, Section 2, Part 1) using an Internet connection. This article will outline the process you must follow in order to vote at a location **other than** the Balloting & Registration Room at the Annual Communication in Atlantic City. You may vote from any device (desktop, tablet, mobile) that has an Internet connection and Web browser.

You **MUST REQUEST AN OFF-SITE BALLOT** by **PRE-REGISTERING**.

To pre-register, you must send an e-mail by **11:59 pm Eastern Time, Tuesday, April 7th, 2020** to GLNJVOTING@GMAIL.COM containing:

- Your Full Name
- Your E-mail Address
- Your Member Number (found on your dues card or through your Lodge Secretary)
- NJ Lodge Name/Number

Once your eligibility is verified by the GL office (which may take a few days), you will receive a confirmation email stating that you have successfully registered. Then, on the morning of Wednesday, April 22nd, you will receive an email with an encrypted link that will take you to the appropriate webpage to vote. This email will also contain additional information and instructions. Remember, **registration for off-site voting will close at 11:59pm Eastern Time on Tuesday, April 7th, 2020.**

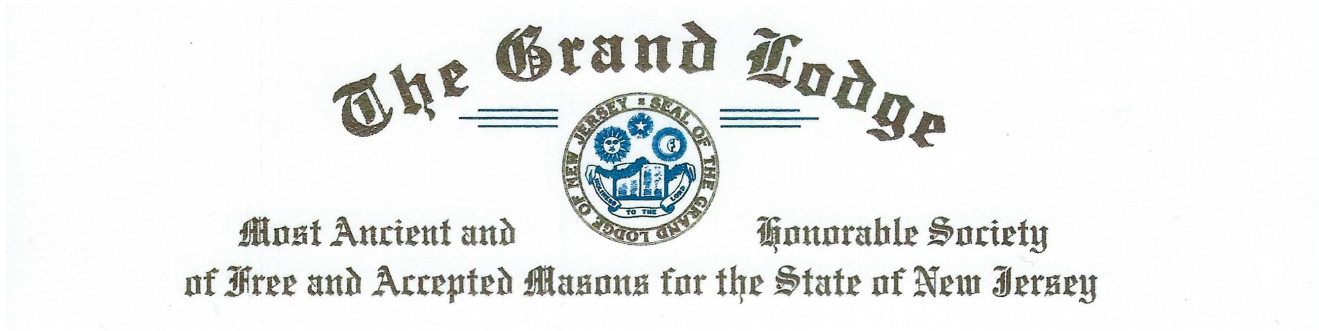

Balloting will begin at approximately 12:00 noon on Wednesday, April 22nd until sometime between 9:00am and 10:00am Thursday, April 23rd (all times Eastern). Once balloting starts, an email will be sent to those who have registered reminding them that the ballot is now open. Offsite balloting may be done at ANY TIME while balloting is open in Atlantic City. Please note that the times for the start and end of off-site voting are variable depending on when the Grand Master starts and stops balloting on-site. Off-site balloting will end at the same time as on-site balloting. **Please do not take a chance and wait until the last minute - vote any time before 9:00am Thursday!**

You may request an off-site ballot if you are a PM of any lodge in a recognized jurisdiction and a member in good standing of a Lodge under the jurisdiction of the Grand Lodge of New Jersey, F&AM. Please note that the WM, SW and JW must cast the vote assigned to their office on-site (per C&L). If the WM, SW or JW is also a PM (previous year) and they are not able to attend the Annual Communication, they may only cast their PM vote off-site and must follow the procedure above to register for that ballot.

Please address all questions regarding this procedure to GLNJVoting@gmail.com.

The Brethren of New Jersey
CONGRATULATE
our newly elected line.

Wishing you a successful 2020
Masonic Year!

Grand Lodge

continued from page 10

Statement:

Brethren, I want you to look at my past to see why my many years of experience, serving our Grand Lodge, best prepares me to be your next Junior Grand Warden. This experience will paint a clear picture of what you can expect from me in the future.

After first serving as Grand Chaplain in 2007, I was shortly thereafter appointed to six consecutive terms as the District Deputy Grand Master of the 10th Masonic District. I then had the honor and privilege of serving as your Grand Orator in 2017 and currently serve you in that position this year. My diligent, long term, responsible work on the Constitution and Law Committee, Strategic Planning Committee, and the State of the Craft Committee, has provided me with vast experience managing issues within our Masonic fraternity. The committees I have been chosen to serve on have given me the distinct opportunity

to demonstrate my Masonic leadership. My vision, coupled with my ability to follow through, uniquely qualify me to seek your vote for the position of Junior Grand Warden of your Grand Lodge.

Privately, I own and successfully operate nine profitable interconnected businesses. The Brethren recognize that my family is the most cherished possession that I have, I work every day to provide for them. I understand and fully embrace the concept of our Masonic family, I can promise that I will work for you as I work to support my immediate family; hard, smart, and diligently, with an experienced eye on finances. My education and business experience require me to be able to read and understand financial statements, to motivate people to excel, and without forgetting the past, to always look ahead. I have a decades long history of meeting these stringent requirements in life, in business, and in Freemasonry.

My Masonic resume bears out the many

contributions I have made over the years.

Freemasonry is a philosophy, as such, I take our collective Masonic experience very seriously. Our Fraternity is in a transitional time. A steady hand, laser focus, and the ability to be objective, are critical requirements for our future success. My experience provides exactly that...A balance of leadership, business, financial, and Masonic capabilities.

Your Elected Grand Lodge Officers are here to work for you. I am here to work for you. There are many exciting new opportunities on the horizon for this fraternity, where all Freemasons are engaged, educated, enlightened, and working together. We can seize these opportunities and together we can effectuate positive change, leaving no Mason behind we can make this Fraternity better than it already is.

I ask for your vote.

RW J. Eugene Margroff

Statement:

My name is J. Eugene Margroff, I am a candidate for the office of Junior Grand Warden. 36 years ago I started my Masonic journey. After serving my lodge in both elected and appointed positions, I was elected in December 1992 to serve as Worshipful Master for the ensuing year. I did not know the enjoyment I would gain by guiding my lodge through some tough times serving as

Nominees for Junior Grand Warden (Vote for 1)

Worshipful Master 6 non-consecutive terms. After my service to my lodge, was the service to my district beginning with our annual 2nd District Charity Ball (the precursor to the North Jersey Charity Ball). I realized that Masonic Education was important and impactful and had the honor of serving my district as the District Ritual Instructor, where I was able to spread the masonic light through teaching the ritual.

I am recognized as a strong mentor both in the Masonic Fraternity and the workplace. My skill set includes managing both up and down the management team and as a result I have watched employees, members and lodges thrive.

Being in a management position for more than 30 years, I believe in clear and distinct goals and objectives, transparency, and compliance

Personal:

I was born and raised in New Jersey. I currently reside in Succasunna with my wife of 35 years, Brenda. We have four children and one beautiful grandson. Our three sons are Senior DeMolays and our daughter is a majority Rainbow Girl. Our son Ryan is a Past State Master Councilor and member of Clifton Lodge No. 203 and our daughter Katherine is a Past Grand Worthy Advisor and member of the Order of Eastern Star. Brenda and I have instilled the value of servant leadership and the importance of caring for others in our children. In addition to the Masonic service they all provide, each has entered a profession of service to others. Chris is a Nursing Assistant, Katherine is a School Psychologist, Jonathan is serving in our United States Military, and Ryan is in his final semester of law school. We are a very active Masonic Family and I enjoy their full support.

to guidelines.

I believe that serving the Grand Lodge and the Brethren of this jurisdiction, as both an elected and appointed officer have prepared me for the position of Junior Grand Warden.

Our elected leaders have taken many great strides these past few years to improve Masonry in this Grand Jurisdiction and we Must never forget that the purpose for the Grand Lodge is to serve the membership. All non-profit volunteer organizations are struggling and our dwindling membership and participation is not unique. We must revitalize our Beloved Craft from the ground up. Only through supporting each individual lodge directly can Masonry return as a Beacon of Light in our communities.

We face many of the same challenges from officer burnout, pushing new members through the chairs, communities ignorant about Freemasonry, resistance to change, lack of communication, and much more.

Our Future is Bright and we have the talent and the determination to continue to move our Craft forward. We must restore Balance by returning to the principle tenets of Masonry; Brother Love, Relief, and Truth.

“Masonry was not made to divide men, but to unite them, leaving each man free to think his own thoughts and fashion his own system of ultimate truth. All its emphasis rests upon two extremely simple and profound principles, love of God and love of man” – Joseph Fort Newton

Statement:

43 years ago, I embarked on a journey that would change my life forever, because 43 years ago, I joined Clifton Chapter of the Order of DeMolay at the age of 15. All aspects of DeMolay helped me build relationships which have lasted my entire Masonic life. I have served in various leadership positions over the years at the local,

district, statewide, national and international levels of the organization. I continue to serve DeMolay as an active voting member of the DeMolay International Supreme Council serving that body as National Chairman of the Nominating Committee. Locally, I also serve as the President of the NJ DeMolay Permanent Fund. One of the most basic ideals of the lessons of DeMolay is that leadership equates to service, and I hold that to be true today as I continue my service within our Fraternity.

My Masonic resume above results from my deep roots at my mother lodge, Clifton No. 203, where I took the first step of my Masonic journey in January 1983. 23 years ago, and just 14 years after I was raised, I had the honor of serving Clifton Lodge as Worshipful Master. My journey grew to extend beyond Blue Lodge as I served in multiple positions of leadership in Scottish Rite on both the local and jurisdictional levels. Servant leadership is more than a phrase, it is what I believe, wholeheartedly. Leadership experience is cumulative with each position offering critical experience, skills, and knowledge. In every role I have committed myself to, I have served with enthusiasm, careful organizational planning, and goal-oriented execution.

Service to our Fraternity has been a lifelong endeavor, but it is some of my most recent positions of service which have offered me such valuable insight “behind the scenes” of the operations of Grand Lodge. These positions include serving as the Masonic Leadership Conference Chairman in both 2014 and 2015, Masonic Charity Foundation Trustee since 2015, and Secretary to the Grand Master in 2018. In my service of four years as Secretary to the Grand Master, I identified several important challenges and instituted procedural changes to the benefit of our craft. I suggested and organized the Society of Secretaries to the Grand Master. This formal organization of the current and future secretaries enables a wealth of knowledge to be shared in a digitized format with improvements in accuracy and efficiency. Additionally, I re-engineered the Reception process with improvements in efficiency saving Chairmen valuable man-hours and providing a cost reduction to each District.

While I firmly believe this to be the greatest Fraternity in the world, we have our challenges to overcome in our ongoing efforts to better our craft and ourselves. Having participated in many discussions with Brethren of this Grand Jurisdiction, I have cultivated a vision of enrichment of our fraternity for the future through **Education, Involvement, and Personal Connection.**

Education: Just as operative masons arm themselves with working tools, we as freemasons must arm ourselves with knowledge, and the wisdom to use it. It is these tools with which we, as Masons, provide the foundation upon which the future of our fraternity relies. Education is a process that never ends. There is room for

continued from page 12

growth for every brother from the newest initiate to the most senior Past Master. Along with educating ourselves on the rich symbolism and traditions of lodge, so must we engage in developing our ability to lead this fraternity into a prosperous future. From business skills to best practices each brother has a valuable lesson to teach one another. It is my intention to provide diverse educational programming with the opportunity for every Mason to grow.

Involvement: Involved Masons stay Masons. Freemasonry provides a wide realm of opportunity for each member to take everyday action which helps shape the Masonic experience for themselves and the brothers around them. This involvement must be pursued by encouraging and aiding our members in finding the opportunities within the organization which speak to their interests and ambitions. For some, this may be working towards ritual proficiency while for others it is advancing charitable causes within the community, but involvement is critical whatever the case may be. Providing involvement opportunities for every Mason is my intent.

Personal Connection: Freemasonry is Fraternity. What is special about Freemasonry is the sense of belonging that comes when you can meet with a group of strangers and be greeted as “Brother”. By meaningfully extending a brotherly hand to each Mason we meet, we are building upon the positive role this Fraternity serves in the lives of its members. The personal connections we make cement the bonds of brotherhood, and I am determined to strengthen our personal connections across the Fraternity.

I seek office because I believe in the values, lessons, and traditions of Masonry by which I strive to live every day. I believe we can take action and achieve results. I am a servant leader with a vision of a bright future toward which I am determined to work dutifully. Through my years of membership, service, and leadership, I have witnessed and experienced some of the very best of our Fraternity. Together, we can all ensure that the future generations of Masons, including our children, are afforded the same enriching opportunity. With my young grandson coming into my life, my vision is more clearly focused than ever. I want our Fraternity to thrive so that the day I call my grandson “brother”, Freemasonry will be in the best condition it has ever been. Together, by going “All In” with Heart and Soul, we will continue to develop a Fraternity where our children’s children will be able to meet as Masons carrying on our teachings and enjoying our traditions for generations to come.

Brethren, I am ALL IN with all of my Heart and Soul, will you join me?

Statement:

My name is Ron Murad and I'm running for Grand Lodge Trustee of your Grand Lodge.

Webster's Dictionary defines trustee as "a person to whom another's property or the management of another's property is entrusted". It expands the definition to say, "any of a group or board of persons appointed or elected to manage the affairs of an institution or organization". In accordance with this definition, the Grand Lodge By-Laws states, "The Trustees shall have the responsibility to manage the business affairs of the Grand Lodge".

The Grand Lodge is your Grand Lodge, made up of you the Brethren, and your lodges. It exists to establish and maintain a sense of normalcy and consistency for its members and lodges, and to provide a support mechanism tying New Jersey Freemasonry together. In doing so, it is a business entity, with approximately 16,000 members. Within this structure there are expenses to be incurred, revenues assessed to pay those expenses, and assets, such as investments, to be managed.

The Grand Lodge Trustees are empowered to oversee this business entity, independent of its elected officials, who are not members of the Trustees. With my extensive business and Masonic background, I was specifically recommended to, and appointed by, the Grand Master to fill a vacancy in the Trustees in September. This opportunity has allowed me to have a direct and immediate impact on the proceedings of the Trustees in providing a new and business-based voice to the Trustees

regarding several critical financial matters.

During my entire work and Masonic careers, I have had to set reasonable expectations, set rational and realistic processes to obtain those goals, and to establish relationships to ensure those goals are achieved. Within a mixed framework of multiple personalities and commitment levels, this work has, by necessity, included the development of budgets, the monitoring of periodic financial and manpower results, and the implementation of adjustments when actual results do not meet expectations. All of these experiences are relevant to the position of Grand Lodge Trustee.

Despite the good and well-intentioned inclinations of all parties involved in laudable pursuits, there has always been, and there will always be, disagreements. In both my professional and Masonic careers, I have been able to find the consensus, the common ground, and very importantly, the transparency necessary to make an entity's business model work.

I have been Worshipful Master twice, District Ritual Instructor three times, Secretary to the Grand Master, and District Deputy Grand Master for three years, as well as having been a member of the Grand Lodge Tax, Audit and Ritual Committees. As mentioned earlier I have also recently had the good fortune of being a Grand Lodge Trustee for the last six months. I know and understand how Grand Lodge works. I know and understand how lodges work. I know and understand the challenges that face both Grand Lodge and the individual lodges. The position of Grand Lodge Trustee is not one that I take lightly, and I now ask you for your support in continuing the Mission I was requested to assume as a Trustee in September, representing you as an elected member of your Grand Lodge Trustees.

Statement:

Brethren, for the past 30+ years, I have derived great satisfaction from being a New Jersey Freemason, especially the last 5 since serving as a Grand Chaplain of the Grand Lodge. For the past 4 yrs. I have sat in on every public meeting of the Grand Lodge Trustees as a brother listening to the meetings. Attending these meetings is a choice NOT a requirement. Over the years I have learned many obstacles things the average brother does not know. I know what/when/and why. That now I understand what has to be done for the lodges of Grand Lodge and what has to be done for the individual lodges.

When I have been traveling, I have found the following throughout the state. All successful lodges have one distinguishing characteristic. The officers of these lodges are informed, enthusiastic and dedicated to performing their duties. In Freemasonry, there is no substitute for quality. Pride begets pride; enthusiasm spawns enthusiasm. Just as a school will relate with its varsity team, so also will the members of a lodge relate with its officers. When officers display the virtues of enthusiasm for their station with pride of accomplishment, the membership will be more willing to support them in all their endeavors. When all officers display a sincere love and concern for the

Craft, respect for the Brothers, and humility with their authority, Freemasonry will prosper.

If elected in April 2020, I will commit and give myself fully to the position of Trustee. To the best of my ability, I will represent you in the duties and responsibilities laid out in Title Four-Section 2-Part 3 of our Constitution and Laws. I will bring to the Board of Trustees a broad and diversified background. We are a corporate entity and as such have a corporate responsibility to those who comprise the corporation.

The Grand Lodge Trustees need to have the perseverance to constantly strive to do what is best for the fraternity within the realm of our responsibilities. We must always maintain a balance; remaining mindful of the direction in which the Grand Master and the Elected Grand Lodge Officers are leading our Grand Lodge. What the desires and needs of the membership are, and our finances. Overall and specific especially the circumstances which today's economy creates for our fiscal resources. Brethren, I earnestly solicit your support and especially your vote in April at the Annual Communication of the Grand Lodge. I trust that you will give me the opportunity represent you and permit me serve you for the next three years as one of your Grand Lodge Trustees.

Daniel Nemcek, PM

Personal:

I was born and raised in Argentina. In 2000 I immigrated to the United States and became an American Citizen in 2009.

My first job in this great country was working as a food runner at Jose Tejas

Restaurant in Woodbridge. That is where I began learning to speak English. My other early sources of instruction were the television, radio and newspapers.

I knew, without the shadow of a doubt, that if I was going to succeed in my new country I had to first become fluent in English!

It did not take me very long to figure out that if I was going to become truly fluent in my new language I had to enroll in a night school English class. This turned out to be one of the very best decisions I had ever made because there I met the most wonderful teacher of "English as a Second Language".

How wonderful was she? Well, we got married

soon after my graduation (that's how wonderful she is). For the last 10 years we have lived in Toms River and really enjoy this beautiful community. We have been blessed with two magnificent children. Isabella is 7 years old and Daniel II is 3. Along the way we have survived and have fully rebuilt from Super-Storm Sandy. We are currently licensed by the State of New Jersey as a resource (foster) family, hopping that one day we can share our home with some other kids. We are really living the Great American Dream! America is the greatest place in the world for us to build our family's future!

Education:

After graduating from high school, I attended the University of Buenos Aires from 1992-1995. My majors were Law and Business/Accounting.

Professional:

By learning proper English, I was able to get a better job with a hardwood flooring company. One year later, I was promoted to manage a truck/crew of workers. In 2005, I left that company to start my own flooring business with my brother. We had great success until the financial recession of 2008-2009.

Fortunately, having always been interested in real-estate, I become a real estate investor;

buying, rebuilding and selling homes in the local market area. My wife and I decided to jump into this market with both feet, so we sold our home to start our new company. We rented a small home and used our capital to begin flipping houses. We started doing one property at a time and are now managing 2-3 at the same time. We have been very fortunate and are living in our dream home. I am fully involved in all aspects of the business, including financing, budgeting, permitting, construction, marketing and sales of the properties.

Only in America can an immigrant like me build successful businesses and raise a wonderful family. I am truly blessed.

Masonic History:

Over the years I have been asked by friends and family why I became a Mason. My answer is that I wanted to be associated with good people who care for their community and one another. I was Initiated, Passed, and Raised in 2008 at Medford Lodge No. 178. In 2009 I became an appointed officer, and Worshipful Master in 2013. My mission was to leave the Lodge a better one than when I began. I am currently serving as a Temple Trustee.

My business responsibilities have taken most of my time, so I never joined any of the appendant bodies. But I have come to a point

Nominees for Grand Lodge Trustee (Vote 3 of 6)

continued from page 18

in my life where I can begin to pay back the country that has been so good to me and my family. Having been blessed with two healthy children, I decided to become a Shriner and in November of 2017 I joined Crescent Temple. I joined because I want to take an active part in the wonderful charity work the Shrine does for the children of families who need more help than mine.

Statement:

Soon after becoming Worshipful Master I found that there were problems with my lodge's finances. I took it upon myself to investigate the irregularities I discovered in the Lodge's financial records. Using my accounting and business experience, I uncovered an ongoing 3-year misappropriation of funds totaling approximately \$30,000 of my Lodge's money.

Prior to taking action against the offender, I obtained complete restitution of these funds,

thus making the lodge whole again. My lodge had entrusted me with the responsibility to resolve this misappropriation and I did not let it down.

My Brothers, I believe that with my accounting education, business experience, and work ethic I will serve you in a positive capacity as your Grand Lodge Trustee. Protecting the integrity and values of Freemasonry has been in the forefront of my service as a Master Mason.

My background in law, accounting and all facets of business management has provided me with a unique background to work in managing the finances and property of the Grand Lodge. Running a successful business in this day and age requires a thorough knowledge of the systems and procedures of money and property management.

me skills I have used to discover hidden resources and abilities within an enterprise. While not a lawyer, I work in contract preparation and negotiations on a daily basis. A successful business requires teamwork, using everyone's best abilities to meet both present and future goals.

Our world gets more complicated every day, as do the financial problems and responsibilities facing our Grand Lodge. As your Grand Lodge Trustee, I will bring my experience and determination to benefit our fraternity.

My Brothers, I cannot do it without your support. Please remember Daniel Nemcek when you are in the voting booth and choose me as your next Grand Lodge Trustee.

I will not disappoint.

Statement:

My name is David Steiner and I am running for one of the Grand Lodge Trustee positions. I am seeking it because I have the energy and enthusiasm to make our Grand Lodge great again. After being active in Masonry for many years, in various roles and concordant bodies, I now want to serve the Grand Lodge as a trustee.

Our Grand Lodge needs to focus on fiscal responsibility, it cannot spend money it does not have. I wish to work closely with the elected line to help ensure that the funds are available to fulfill the commitments that have been made. I am a team player but also understand that role of the trustee can be one of a counterbalance and help reach appropriate consensus agreements, where all needs and requirements are appropriately met. When I make a commitment, I do it whole heartily and with follow-through. I can be trusted to complete any task that I am assigned to. In my over thirty-year professional career, I managed personnel and equipment, valued in the millions of dollars, dealt with insurance issues and government regulations. I now wish to use my experience and knowledge for the betterment of our Grand Lodge. We need to look for ways beyond membership to raise money to sustain and grow our fraternity so that it will be there for future generations. I look forward to serving the brethren of this Grand Lodge in this grand jurisdiction for a long time to come. I am honored and humbled by the opportunity to serve as a Grand Lodge Trustee and hope that you will allow that to happen.

Statement:

Brothers, my name is William “Butch” Stevenson, Jr and I am running for the position of Grand Lodge Trustee. Several people have asked me, why would I want to run for this position? Brethren, my answer is simple, I want to do everything I can, to ensure that New Jersey Freemasonry has a bright and viable future.

My entire adult life I have been involved in Law Enforcement and my career in this field has prepared me for this position by enabling me to serve. In my career I have served in numerous positions from patrol officer in a small town to being assigned to the Administrative Bureau of Monmouth County Sheriff’s Office. Being assigned to the Administrative Bureau I have been trusted with several important responsibilities, one of them is assisting in crafting and managing a \$75,000,000 budget. With a budget of this size, I would love to provide everything that my fellow officers and employees want. But, unfortunately, as everyone knows, there is a difference between wants and needs. One example would be when officers ask to attend training whether in state or at various locations around the country. I need to look at their necessity to attend training versus the cost and if there is comparable training locally. I would love to send these officers to every training they request, but unfortunately some requests are denied due to fiscal responsibility.

Durand Lodge had a period of time where the dues were not increased due to an income source provided by a program through County Government. In 2010, due to an economic slowdown, Durand Lodge

lost that income source as the program was downsized. During my year as the Worshipful Master of Durand Lodge, I along with some Brothers reviewed our current dues structure and determined that changes needed to be made in order to ensure that Durand Lodge would continue to remain financially sustainable. The Brethren of Durand Lodge voted for the recommended changes and the restructuring of the dues over a five-year period. Due to these changes, Durand Lodge is on solid financial footing for years to come.

One of the responsibilities of a Grand Lodge Trustee is to ensure the fiscal and financial stability of our fraternity. If elected, I will work diligently with all of our Trustees in maintaining the financial stability of the Grand Lodge and our investments. I look forward to working towards this goal with my fellow Trustees along with the members of the Elected Line.

Brothers, we always hear that, “This is your Grand Lodge” and that is 100% correct. If elected, I will make myself accessible to you, the Brothers. I will speak at Lodge Communications or District Lodge of Instructions, so you know what is going on in your Grand Lodge.

Also, I will propose to my fellow Trustees that at least once, if not twice a year we hold a Grand Lodge Trustee “Town Hall” meeting, on a weekend at Fellowship Center. This way you, the Brethren, can see what is happening in your Grand Lodge and ask questions of your Trustees. You, my Brothers, have a right to ask questions and know what is going on in your Grand Lodge.

My Brothers, I look forward to serving you as your Grand Lodge Trustee. My work experience and leadership along with my Masonic experience and leadership have prepared me for this incredible position. I will work hard for you and this amazing Fraternity, a Fraternity that has been such an important part of my families and my life for over a century. With all of us working together, we will ensure that the Grand Lodge of New Jersey will continue to thrive for years to come.

Statement:

Several years ago, while attending the international Masonic Library and Museum Association’s meeting in Alexandria Virginia, I had the opportunity to walk the hallowed halls of the George Washington Masonic Memorial, and view images of grand Masonic buildings across this great nation. It was here that I saw framed images of the grand Masonic buildings of Atlantic City

and Camden (both which no longer exist). I also noticed that no image of the Historic Masonic Temple of Trenton was to be found. I remedied that oversight to New Jersey by sending an image to their Executive Director, and now that image now exists in Alexandria. It got me thinking that our Trenton building is the last grand Masonic structure in existence in our historic state of New Jersey. We owe it to our Masonic history to maintain, preserve, and cherish this facility. During my two years as Chairman of the HTMT Library and Museum Committee, I dutifully attended the Trustee meetings to supply input and feedback. With my latest personal career position with the Department of Treasury in Trenton, I literally work next door to the Historic Trenton Masonic Temple and have been a regular attendee to their meetings for well over a year now. I also visit it several time a week. I believe I will bring to the Trustee position a much needed perspective and fresh ideas to help promote the venue while helping to preserve it.

During the Great Depression, the Grand Lodge formed the Masonic Charity Foundation as a non-profit for general charitable purposes. Until recently, the Foundation was focused primarily on long-term and short-term nursing care, physical therapy, retirement apartments and hospice care.

Beginning in 2014, the Foundation began converting nursing home beds into retirement apartments and embarked on a major project to renovate its facilities and to construct 66 new duplex retirement

cottages to provide “active senior housing.” Costs for the renovations and expansion, including lost revenue during and following the renovations have reduced the net worth of the Foundation by nearly \$25 Million or 25%. During this same time period, the Foundation's revenue has also declined by over 25%. Although the trend for occupancy of the cottages and apartments is encouraging, the Foundation's current business model is unsustainable and may not represent the best use of the Brethren's charitable funds. As an experienced non-profit board member and an attorney with 30 years of experience in real estate projects, I would be a valuable addition to the Charity Foundation Board as it continues to steer the Foundation towards financial sustainability.

Statement:

My Brothers, I am seeking the position of

Masonic Charity Foundation Trustee so that I may “pay it forward”, by dedicating and devoting some of my professional skills and experience, to the Masonic Charity Foundation and thus to our great fraternity. I am proud to be a Mason and the son and nephew of a Mason. In order to meet its mission of promoting the highest quality of life for Freemasons, their families, and others through retirement living, healthcare services, and hospice services, as well as maintaining and administering its funds exclusively for charitable, benevolent and retirement services, the Masonic Charity Foundations board's composition requires three type of expertise; financial, medical, and legal. My 38 plus years of professional and business background in the fields of clinical medicine and the business of healthcare management and the medical diagnostic industry have provided me with

a broad and diverse set of leadership skills, which will serve the Masonic Charity Foundation well. Additionally, for several years I have been serving on the finance committee of a national medical organization with an annual budget of greater than \$23 million and have been directing the investment and handling of a approx. \$20 million held in a combination of unrestricted funds, restricted and endowment funds. I have always worked hard and have been fully committed to whatever I do, be it work or volunteer activities. Recently leaving full time employment and becoming an independent consultant, I have the flexible schedule and time to serve the Masonic Charity Foundation and attend the committee meetings. Therefore, I ask for your support and your vote for Masonic Charity Foundation Trustee at our Grand Lodge Communication in April.

Personal:

I have resided in Shamong, NJ for the past 14 years. I live there with my wife and are expecting our first child in April.

Professional:

Right out of High

School I entered the Residential Mortgage Banking Business. I am currently the Director of Sales in the Cherry Hill, South New Jersey area producing over \$40 million in sales. As Director of Sales I supervise a diverse team of employees. I am responsible for and meet a balanced sales budget. I

work with contractors assisting them with their acquisition budgeting of residential rental and commercial portfolios. Currently licensed in five states has given me the opportunity to monitor and learn the real estate market trends as well as the differences in the governmental oversights.

In addition to my real estate enterprise, ten years ago I started a regional audio/video integration company of which currently I am a managing partner. My audio/video integration business continues to expand yearly with steady growth and balanced budget in a diversity of markets. With a team great team of employees, we work on residential and commercial projects.
