

2026 Grand Lodge Staff Orientation

September 21, 2025

Fellowship Center, Burlington, NJ

RW Omar Morris and his team took a different approach this year and educated the staff on their responsibilities via Zoom meetings over the Summer. The Zoom meetings allowed for an in-depth presentation and a robust Q&A session without inconveniencing our Ladies. The virtual meetings allowed RWB Omar and Lady Stephanie to lead over 200 staff and their Ladies in fellowship and laughter the morning of Orientation. Special thanks goes to the Arrangements Committee, RW Jon Dershowitz and RW Brandon McCune for their contributions.
