

2026 Florida Receptions

January 24 - 29, 2026
Florida, USA

M.W. Omar S. Morris traveled to Florida from January 24 to January 29 to visit with New Jersey brethren and ladies who now live in the Sunshine State. Those who attended re-connected with old friends, received an update on the news from New Jersey, and enjoyed a luncheon and fellowship. Thank you for helping to make this year's events a success!

Fellowship

The receptions offer a way for those who attended to re-connect with old friends, as well as create an opportunity to make new ones.

Each reception also featured a buffet lunch for attendees to enjoy. Pictured below is the group who gathered in Fort Myers. This was the trip's second stop, with the West Palm Beach reception taking place the prior day.

Updates from New Jersey

Traveling with the Grand Master was R.W. Bruce C. Golway, Deputy Grand Master, R.W. Bernard J. Madgey, V, Senior Grand Warden, R.W. Joseph K. Barbara, Masonic Charity Foundation President, R.W. Richard Norbuts, Aid to the Grand Master, and Bro. Christopher S. Abbott, Masonic Charity Foundation Development Director.

Each had an important update to provide about the many Foundation services and Grand Lodge programs that impact the membership. Pictured below is the Tampa group.

Thanks for your support

The Foundation could not achieve in its mission without you. Whether through volunteering or through charitable donations, your involvement is a key ingredient to our success.

Pictured below is R.W. Charles "Chuck" Innocenti, being recognized for achieving 50 years as a DeMolay in Orlando. After this fourth and final stop, the Grand Master and staff returned to cold and snowy New Jersey.
